

## Farewell, the Hills

Music & lyrics by  
E. R. Traina

Am  
Goodbye, goodbye  
Dm  
these hills of mine  
F E  
o, olive trees that watched us grow  
Am Dm Dm/Bsus2  
the north's ablaze; this realm is torn  
F E  
a year ago, who would have known?

C  
For you who stay,  
G  
I have to go  
F  
to you, my friends  
E  
I turn my back  
Am  
I'm going where  
Dm E Am  
the olive trees won't grow  
F E Am  
is my love gonna wither in the snow?  
F E Am  
Is my love gonna wither in the snow?

Am  
Goodbye, goodbye  
Dm  
these hills are cryin'  
F E  
those olive trees that watched you go  
Am Dm Dm/Bsus2  
the seeds of war have long been sown  
F E  
a year ago, who would have known?

C  
For you who stay,  
G  
I have to go  
F  
to you, my land  
E  
I bid farewell  
Am  
I'm going where  
Dm E Am  
not even weed can grow  
F E Am  
is my love gonna wither in the snow?  
F E Am  
Is my love gonna wither in the snow?

F E Am  
My love for you won't wither in the snow
