

Who You Are

Music & lyrics by

E. R. Traina

Bm A
I've heard you're riding with the wind
A Bm
Across the entire continent
Bm A
I have the feeling you don't know well
D A
What you're looking for

D A
Go find your happiness somehow,
A Bm
But don't expect me to be fine
Bm A
With all that's happened in our lives
A Bm
I don't know who you are

D A
Who you are, who you are
F#m Bm
I don't know who you are 2x

Bm A
I don't think I remember
A Bm
The last time you were happy, there
Bm A
A house of funny strangers
D A
Is what you made of us

D A
But mother always took your side
A Bm
Not that you'd ever cared
Bm A
At least no more she will regret
A Bm
Not knowing who you are

D A
Who you are, who you are
F#m Bm
I don't know who you are 2x

Bm A
Since when I had to leave as well
A Bm
Our house of funny strangers
Bm A
I've changed so much I wonder
D A
Would you still dislike me now?

D A
I caught a glimpse of me,
A Bm
While bathing in the river
Bm A
And I remember thinking
A Bm
I don't know who you are

D A
Who you are, who you are
F#m Bm
I don't know who you are 2x

D A
If ever I did find,
A Bm
whoever took our mother's life
Bm A
I'd stare into their eyes...
A Bm
I don't know who you are

D A
Who you are, who you are
F#m Bm
I don't know who you are 2x
